

PERRYFIELDS
ACADEMY
Together we achieve excellence

9th September 2021

Dear Parent/Carer

Oldacre Road can become very congested at the beginning and end of each school day, so we are asking all parents to avoid dropping off or collecting students directly outside the school gates. We would suggest that local vicinities such as the Co-op or Labour Club might be suitable alternative places to collect your child.

We would like to encourage an unofficial one-way system along Oldacre Road for visitors to Perryfields so that vehicles enter from the Tame Road end and travel past the school on their right-hand side to ease congestion.

Finally, if you do have to park along Oldacre Road, please do so safely and considerately.

If you have any complaints about parking around school, please take the registration number of the offending vehicle with photographic evidence if possible and contact West Midlands Police: 101 (phone) or <https://www.west-midlands.police.uk>

Thank you in advance for your help with this.
