

PERRYFIELDS ACADEMY

Together we achieve excellence

January 2022

Dear Parent/Carer

We would like to invite you to attend a virtual Year 9 Parent Consultation Evening. This will take place on Thursday 13th January 2022 from 4.30pm – 6.30pm via our online Parents' Evening System provided by School Cloud.

During this evening, you will have the opportunity to discuss subject specific issues with your child's teachers on an individual basis. Your child's behaviour and engagement information is available via the Class Charts App and the latest progress reports issued to form the basis for these discussions.

As your child is about to begin the options process and select courses to study during Year 10 and 11, it might be wise to prioritise those subject areas that are of most interest.

For this Consultation Evening –

- Timings are from 4.30pm – 6.30pm
- The booking system will go live from 9.00am on Thursday 6th January 2022
- Appointments are virtual, and you will need a device with a webcam, microphone, and speaker such as a smartphone, tablet or laptop, etc., and connection to the internet
- You will be responsible for making appointments with staff using the online system. Details of how to use this system are included within the attached Parents' Guide for Booking Appointments
- Each appointment will be for a maximum of 5 minutes

Appointments can be made from 9.00am on Thursday 6th January and will close on Wednesday 12th January at 6pm. Should you wish to make any changes after this date, please contact pastoral@perrys.org.uk.

Please visit <https://perryfields.parentseveningsystem.co.uk> or use the link via the website to book your appointments.

We look forward to seeing you on the virtual evening and hope the evening is successful for you. We would welcome any feedback via email at admin@perrys.org.uk to enable us to refine the system.

Yours sincerely

F Foster
Assistant Headteacher
